We strongly encourage and welcome interested members to our application review night on September 17th at 1800 in the Boeing Center and our prospective member social on September 22nd at 1800 in the Henderson Welcome Center. Dress Code is Business Professional.

Applicant Signature: _____

Aeronautical Science GPA Calculation Instructions

BSAS Students ONLY

1. Use only ASCI, FACR, WEAX-201, and WEAX-301 classes
2. Multiply the grade points earned (see below) for each grade by the number of credits attempted
3. Add total grade points
4. Divide by credit hours the class was worth

A = 4 points earned

B = 3 points earned

C = 2 points earned

D = 1 points earned

F = 0 points earned

Example:

Class:	Grade / Points:	Credits Hours Class was Worth:
ASCI 221	A - 4	3
ASCI 321	B - 3	3

ASCI 405	A - 4	3
WEAX 201	C - 2	3
ASCI 471	D - 1	1

$$4 \times 3 = 12$$

$$3 \times 3 = 9$$

$$4 \times 3 = 12$$

$$2 \times 3 = 6$$

$$\underline{1 \times 1 = 1}$$

$$\text{Total} = 40$$

$$\text{Total Attempted Credits} = 13$$

$$40 / 13 = 3.076 \text{ Aeronautical Science GPA}$$

*****In order to be eligible for membership your cumulative GPA must be greater than or equal to 3.4 and for BSAS students, Aeronautical Science GPA must be greater than or equal to 3.4*****
